

TAURANGA CITY BASKETBALL ASSOCIATION FINANCIAL HARDSHIP APPLICATION

Tauranga City Basketball Association (TCBA) is a not-for-profit organisation; that offers many different basketball services. Within our Representative Programme, we have adopted and do our absolute best to adhere to the mantra:

“Leave no child behind, due to financial hardship”

If a child is successful in being selected for a representative team, TCBA will do everything within our capabilities, understanding our own financial limitations, to keep that child involved.

TCBA has successfully built a culture of supporting those less fortunate within our basketball community through donations and or sponsorship. And we are also very lucky to have a staff that proactively fundraises to support the less financially able.

If in need of financial assistance, please make contact as early as possible, so an action plan can be decided upon and be put in place early in the season. TCBA understands that sometimes it can be difficult to request financial assistance. However, we also understand that this is just a snapshot of your family's current financial situation. And when and if in a situation to assist others within our community either through volunteering, fundraising or sponsorship, that this helping hand upward is remembered.

Eligibility: Must be a current Tauranga City Basketball Representative Player.
