

TCBA Development Programme - NAVIGATORS

The Programme consists of weekly coaching sessions led by experienced coaches where basic fundamentals are introduced in an age relevant manner within FUN activities and drills. Players need no experience to attend.

These squads do not play in a weekly competition – we encourage all participants to play for their own school teams. The Junior Development Programme is designed to supplement/complement the Tauranga City Basketball Representative programme and school basketball programmes.

Players will need to bring the following to each session:

- Drink Bottle
- Comfortable sports clothes to train in
- Sports Shoes (trainers / sneakers)
- Warm clothes to wear after training
